

SEMICONDUCTORS DRIVE SMART

13-16 Nov 2018, Messe München, Munich, Germany

This year SEMICON Europa will be co-located with electronica 2018, creating the strongest single event for electronics manufacturing in Europe, and broadening the range of attendees across the electronics chain.

We connect the breadth of the entire electronics supply chain.

Conferences:

22nd Fab Management Forum
2018 FLEX Europe - Be Flexible
Advanced Packaging Conference
Automotive Forum
Strategic Materials Conference

Exhibition and free programs:

Showfloor (Hall A4)
